Ms. Dortch:

This will serve to formally submit an FCC Appeal for a request for waiver of the 120-day certification rule for form 486 #s 969314 and 969328 as it pertains to the following applicant information:

- **Billed Entity Name:** Dollarway Public School District
- **Billed Entity Number:** 139357
- **Form 471 Application Number:** 874179 and 874716
- **Application Type:** Priority One – Telecommunications
- **FRN:** 2386735 (app #874179) & 2388257 (app # 874716)
- **Service Provider:** Southwestern Bell & Edline, LLC
- **Funding Year:** 2012
- **Contact Information:** John Egan, 20885 N. 90<sup>th</sup> Pl #110, Scottsdale, AZ 85255

**Appeal Explanation:**

FundED Consulting, on behalf of Dollarway Public School District, is appealing the 486 service start date of 4/3/2013 on application # 874179, FRN 2386735, and application # 874716, FRN 2388257. We would like to ask for the service start date to be moved from 4/3/2013 to 7/1/2012. We would like to cite consultant error as the reason for the appeal. FundED Consulting did not author the application, the school did. FundED was only asked to manage the application that was authored by the school. FundED authored the PIA responses for the school, and secured an FCDL approval, but failed to file a 486 in a timely manner. We are asking to restore the funding in full (about \$20,000.00), instead of only the 25% of the funding that is available for reimbursement, as this is not a mistake on the part of the school.

Please forward all questions or requests for clarification to the contact information cited below my signature line herein.

Thank you in advance for your consideration in this important matter.

Sincerely,

  
**John Egan**
